PROFESSIONAL QUALIFICATIONS

CFA Program: Level I passed (2026); Level II exam candidate (May 2027).

NISM: Series XV Research Analyst, Series VIII Equity Derivatives and Series IX Merchant Banking - passed.

CFA Institute Financial Modeling Practical Skills Module - completed.

EXPERIENCE

Investments Intern | Ascendas Firstspace Development Management Pvt. Ltd., Mumbai
August-September 2026

Compared industrial and logistics rents, Grade-A supply and developer activity across Mumbai, Pune and NCR to support real estate investment research.

Reconciled property datasets and classified Grade-A/Grade-B assets for consistent market comparisons.

Reviewed Japan-India investment structures and GIFT City Category II AIF rules using regulatory and company documents.

RESEARCH & PROJECTS

ASTRA | Independent financial and market research project | 2026-present

Developing research and modelling workflows spanning financial statements, sector comparisons, valuation, market context, portfolio risk and derivatives. An evolving independent project; individual capabilities require separate verification.

Independent Valuation Study | Reliance Industries | 2026

Prepared a ten-year FCFF study with reverse DCF, SOTP, peer multiples and WACC sensitivities. Full research outputs remain subject to reconciliation and separate publication approval.

SKILLS

Finance: financial statement analysis, three-statement forecasting, DCF, WACC, SOTP, comparable-company valuation and sensitivity analysis.
Research: company and industry research, investment screening, real estate market research, risk and derivatives analytics.
Tools: Excel, PowerPoint, Python (basic), SQL (introductory), Git/GitHub.
Languages: English and Hindi (fluent), Sindhi (conversational), French (beginner).

LEADERSHIP & ADDITIONAL LEARNING

Organising Committee, TALAASH and Jai Hind Conclave (2024-present): event planning, logistics, stakeholder coordination and outreach.

Forage: 11 virtual experiences (2025-2026), including Goldman Sachs (3), Vista Equity Partners (3), Citi, Bank of America, Standard Chartered, Deloitte Australia and BCG X. These are self-paced simulations, not employment.
