EXPERIENCE

Ascendas Firstspace Development Management Pvt. Ltd. | Investments Intern Aug–Sep 2026

- Researched industrial and logistics real estate in Mumbai, Pune and NCR, focusing on rents, Grade-A supply and developer activity.
- Worked with property and market data and gained an understanding of warehouse leasing, logistics assets and investment research.

Forage | Virtual Job Simulations (11 completed) 2025–2026

Goldman Sachs (3); Vista Equity Partners (3); Citi; Bank of America; Standard Chartered; Deloitte Australia; BCG X. Topics included investment banking, private equity, risk, credit and data analytics.

PROJECTS

ASTRA | Independent Equity Research & Financial Analytics Platform 2026–Present

- Built financial modelling workflows generating company-level valuations for 266 Indian listed companies; preparing individual valuation reports from these outputs.
- Developed three-statement forecasting, FCFF DCF, residual-income and SOTP valuation workflows, with peer comparisons and sensitivity analysis.
- Worked on filing-based data checks and Excel/PDF reporting. Company coverage includes Reliance Industries, TCS, Infosys, HDFC Bank, ICICI Bank, Larsen & Toubro and Sun Pharma.
- Developed equity screeners, technical indicators and backtesting workflows with transaction-cost and look-ahead controls; worked on research-stage options analytics, Greeks and portfolio risk tools.

Independent Valuation Study | Reliance Industries 2026

- Prepared a 10-year FCFF valuation with WACC, reverse DCF, segment-level SOTP, comparable companies and sensitivity scenarios.

LEADERSHIP

Organising Committee | TALAASH & Jai Hind Conclave (2024–Present): Event planning, logistics, coordination and outreach.
